The Fundamentals

33 1/3: Trivia Long-Play

The 50-hour trivia contest begins at 5 p.m. on Friday, Feb. 10 and concludes at 7 p.m. on Sunday, Feb. 12. The colorful and suspenseful awards ceremony follows at 8 p.m. in the Ritsche Auditorium in Stewart Hall at SCSU. The annual post-trivia celebration takes place at 9 p.m. at the Red Carpet Nightclub in downtown St. Cloud with our very own recording artists, the Shake a Hamster Band!

Registration Deadline

The registration deadline is:
4:30 p.m. on Friday, Feb. 10, 2012.
If you register your team by 5 p.m. on Thursday, Feb. 9, you will receive two collectible posters.

Challenge Line

This is a number you can call to vocalize your "challenge" to other teams and the KVSC staff. You will be recorded and perhaps even teased by staff members. Poems, rants and other team challenges are welcomed. The trivia challenge line is 320-308-5475.

Trivia Media (other than vinyl records):

Visual Trivia

Every team will receive a packet of individually numbered images. Questions could be asked periodically throughout the contest about any of the photographs and images provided. We do not post the images on kvsc.org.

Audio Trivia

Audio trivia questions are asked at random. Be ready for the challenge of the audio speed round! To best prepare for these questions, teams are encouraged to have a recording device handy, but KVSC will repeat audio questions when asked.

Social Trivia

For the latest in Trivia Weekend news, follow KVSC on Twitter at twitter.com/kvsc881fm and Facebook at facebook.com/kvsc881fm. Follow the hashtag #TriviaWeekend on Twitter all weekend long for the latest updates, team banter and more. We are also considering a Google+ Hangout during the contest. Circle KVSC on Google+ by heading to our profile at gplus.to/kvsc881fm.

A Brief History of the KVSC Trivia Marathon

Trivia weekend was created in 1980 to counteract the cabin fever created by Minnesota's eternal winters and premiered with 20 teams. In 2011, Trivia Weekend attracted 71 teams, many of them participating via the Internet from various locations across the Midwest. As the weekend has grown in popularity, so has its organizational sophistication. Last year, a record 30 trivia answer hotlines were staffed by volunteers. KVSC and UTVS has more than 200 volunteers working toward the success of the annual station event. In addition, more than 60 St. Cloud businesses show their support with donations of food, prizes and funding.

We wish your team the best of luck in 2012!

Trivia Rules & Regulations

Special Rule Only for 2012

Please see insert on "The Language of a Record" to assist you with theme-based questions.

Number One

Each hour of the contest, nine questions will air on KVSC – except during speed rounds (double questions). The point value of the questions range from 10-500 points. Each team that reports the correct answer to the Trivia Hotline (320-308-4747) in the allotted time is awarded the question's point value. Teams can keep guessing on questions as long as they are open. When KVSC closes a question, guesses are no longer accepted.

Number Two

Teams are allowed to make two guesses per call for up to TWO open questions. Teams guess on open questions and are told: correct (and given points), wrong or incomplete. No clues are given for incomplete guesses. The phone bank will not tell you which part is incomplete.

Number Three (New as of 2012)

The Information/Repeat Question support line will NOT spell out common words. For example, if a question asks about the "Tracey Ullman Show," we will not spell the name "Tracey." On-air hosts will only spell out words that are deemed helpful by the trivia writing team.

Number Four

AVOID PHONE BANK JAM! You need to practice team restraint. There is a MAXIMUM of two simultaneous phone calls to our hotline from your team. We monitor how frequently each team contacts our phone bank. Please inform satellite players of this rule. Also note, cell phone batteries need recharging frequently.

Number Five

Teams may not assist each other in any way, including trading answers. Violations of library laws will result in contest disqualification. Also, KVSC resources and personnel cannot be used as sources.

Number Six

Members of teams are not allowed on the KVSC premises during trivia weekend. Also, teams may not intentionally try to sabotage another team by falsely representing them to KVSC staff, trivia writers, scorekeepers and phone bank workers. Teams face forfeiture for violating these rules.

Number Seven

Scoring and question disputes are entertained for TWO HOURS ONLY following a reported discrepancy. If you dispute a question, Internet sources are treated as a lowest priority.

Number Eight

All decisions made by station management and trivia writers are final.

Number Nine

Your team HQ will be contacted Friday afternoon of Trivia Weekend to assign you a team number and other data. Use only your team number ALL weekend to identify your guesses and answers with the trivia hotline and dispute lines.

Number Ten

The team with the most points at 7 p.m. Sunday is the winner. KVSC will not broadcast the scores for the final four hours of the contest. However, you may call the point information or general information line to confirm your team score until hour 49. If applicable, KVSC will use creative discretion to resolve a tie.

Registration Deadline

The deadline to register is 4:30 p.m. Friday, Feb. 10, 2012. The awards ceremony follows at 8 p.m. Sunday in the Ritsche Auditorium in SCSU's Stewart Hall. A Post-Trivia Party at the Red Carpet Nightclub will follow the ceremony with the Shake a Hamster Band live in concert.
